8.8 If item 8.7 is less than 2 quarters, please provide answers to the following questions:	
8.8.1 Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?	
Answer: Yes	
8.8.2 Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?	
Answer: Yes, the Directors are in discussions with the major shareholders regarding the working capital loan facility. The recent advance was considered sufficient to provide a timeframe adequate to allow for the next round of fundraising to advance the project. This is subject of ongoing review. With the support of the major shareholders and a previous history of successfully raising funds we expect this to be successful.

8.8.3 Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer: Yes, the company has sufficient technical and commercial information to enable informed decisions to be made regarding advancing the project including likely mine development to accelerate the mine production. The modelling of this data is expected to allow the next stage of funding to proceed.

Note: where item 8.7 is less than 2 quarters, all of questions 8.8.1, 8.8.2 and 8.8.3 above must be answered.
